PROFILE

A roll-up-your-sleeves kind of guy focused on developing and implementing marketing strategies and plans designed to drive revenue today and build brands over time. I bring an infectious enthusiasm to my work and am focused on disrupting the status quo and deploying a full marketing arsenal of tools across all phases of marketing and brand management, advertising, public relations and operations in the hospitality, tourism and entertainment industries. I am a natural collaborator with strong relationship building skills, a competitive drive for excellence in everything I do...and knows how to get the job done.
