Profile

Eric conveys great precision and economy of effort in both thought and language. He is neat, tidy and orderly, both at work and at home. He is most content in work that is of practical service to the organization and others. Enjoying theoretical, complex, and global concepts, Eric is a strategic thinker who can clearly see the benefits and flaws of most situations. He is an ingenious and original problem solver that lives by principles and rules which makes him a good designer of systems while being consistent and dependable.

Experience

Template Developer, Squarespace; New York, NY – 2011–2018

Squarespace makes beautiful digital products to help people with creative ideas succeed. By blending elegant design and sophisticated engineering, we empower millions of people — from individuals and local artists to entrepreneurs shaping the world's most iconic businesses — to share their stories with the world. Squarespace's team of more than 799 is headquartered in New York City, with additional offices in Dublin and Portland.

Web Designer & Developer, Neoverve; Carlsbad, CA – 2001–2011

Neoverve thrives on the bleeding edge of digital commerce. By immersing ourselves in exciting e-commerce projects, we digitally transform brands and help our clients sustain growth. Building relationships based on accountability, mutual trust and respect, we strive to maintain long term partnerships.

Sales Associate, Insight; Tempe, AZ – 1999–2001

Insight Enterprises, Inc. is a Fortune 500 global IT provider helping businesses of all sizes – from small and medium sized firms to worldwide enterprises, governments, schools and health care organizations – define, architect, implement and manage Intelligent Technology Solutions™. Insight empowers its customers to manage their IT environments driving meaningful business outcomes today and transform their operations for tomorrow.
