ANIMAL HEALTH DIGEST RECEIVES VETTY AWARD

Liberty, Missouri, March 2, 2018 – *Animal Health Digest Bulletin* was recently cited for excellence with a bronze VETTY award in the Education Tool, B2B Trade category, from the North American Veterinary Conference (NAVC). The VETTYS is the first and only animal health marketing awards competition created by NAVC. It focuses on products and services available through veterinarians or that support the veterinary profession, including pharmaceuticals, pet foods, diagnostic equipment, professional associations, pet foods, diagnostic equipment, professional associations, pet advocate organizations and more.

AHD Bulletin is a weekly email that highlights actionable animal health content gleaned from more than 200 media sources. Sponsors provide subscriptions at no cost. Interested animal health professionals can subscribe at animalhealthdigest.com.
