

Andrew Wood

9217 Redbud Ln., Lenexa, KS 66220 • (913) 200-9366 • andrewwood.com@gmail.com

Objective

Graduated in May of 2021 with Honors. Received a Bachelor's of Science Degree in Physics with a minor in Mathematics. I am looking for a job in a STEM field that will allow me to utilize skills I've learned over the course of my education.

Education

University of Kansas, Lawrence, KS

Graduation date: May of 2021

Bachelor of Science in Physics with a minor in Mathematics

GPA: 3.43

University of Kansas Honors Program

Work experience

PLZ Aerospace, Pacific, MO

Technical Services Internship

June 2019 – August 2019

Researched and Developed a product hierarchal structure for the products that PLZ manufactured. Products consisted of consumer products, such as automotive maintenance, household products, disinfectants, pesticides, and food products. I successfully assigned over 16,000 products into over 140 categories for the company. This product hierarchy will allow for better financial reporting and categorization of the company's portfolio of products.

Amazon, Olathe, KS

Line Worker

Summer 2018

Private Drum Tutor

August 2015-August 2017

Tutored beginning music students on proper drumming techniques and styles.
