

TOP TALENT. NO COST.

AstrumU has partnered with Higher Education Institutions in your region to establish the first ever integrated education-to-industry talent engagement platform. Recruiters use the tool to identify, engage and build new supply of aligned learners for high-demand internships, full-time roles and projects. All matches based on verified skills and experience are validated by institution representatives. **Learn+Work™ Recruiter** access will start at no cost.

- ▷ **IDENTIFY** top candidates based on verified education records and performance
- ▷ **ENGAGE** only the most aligned learners through tailored advising from higher education
- ▷ **BUILD** new supply for high-demand roles with real-time skills-based guidance to schools

AstrumU is seeking thought leaders in talent acquisition/management from the region to participate in an **Employer Working Group** to test the emerging product and provide feedback. Participants will receive early access to Learn+Work™ Recruiter and have a chance to shape its development based on their needs and expertise.
